

NetSuite Amazon Integration

Leverage the efficiency of NetSuite to reach the millions of buyers on the Amazon marketplace

Maximize your sales with NetSuite Amazon Integration

With the Folio3 NetSuite Amazon Integration Connector, you can focus on managing orders and inventory availability, without worrying about keeping your Amazon Seller Central and NetSuite accounts in sync.

The Folio3 NetSuite Amazon Integration Connector supports all Amazon marketplaces* (US marketplace supported out of the box. Additional marketplaces – CA, UK, FR, IT, ES, DE, etc. supported via customization*).

NetSuite Amazon Connector Highlights

Inventory Management

Refrain from under and overselling with your inventory accurately synced with Amazon at all times

Effortless Order Handling

Synchronize sales orders from Amazon and manage them on NetSuite

Quick Shipping

Update customers with shipment tracking as soon as you fulfill them in NetSuite

Unified Product Info

Make sure your customers see the latest product info, like price, color, size, description

Seamless Refunds

Minimize consumer dissonance and boost service levels by ensuring timely refunds

Other Functionalities

Maximize efficiency by easily synchronizing order cancellations, delisting items from the store, etc.

Easy Deployment

Get your integration up and running with ease

Lots of Customizations

Do more with your NetSuite, add new functionalities and custom flows that meet your business needs

Real-time Dashboards

Check integration status and the synced data at a glance

NetSuite Amazon Integration Benefits

Seamlessly integrate data flows between NetSuite and Amazon accounts

1

Seamless, automated integration with NetSuite helps save time & effort

2

Support both Fulfillment by Merchant (FBM) and Fulfillment by Amazon (FBA) listings and transactions in one connector

3

Fully customizable – add additional functionality or workflows as required

4

Free compatibility upgrades with future releases of both NetSuite and Amazon.
