Magento & Magento 2 Netsuite Integration Connector

Synchronize transactions in real-time, eliminate data entry errors, and reduce order turnaround time.

Built for
ORACLE
NETSUITE
Hybrid SuiteApp

Turn-key NetSuite Magento Integration

Folio3's NetSuite Magento Integration Connector is a Built For NetSuite (BFN) certified, out of the box solution that provides fully automated, real-time integration between the NetSuite ERP and Magento & Magento 2. By providing automated data transfer, the NetSuite Magento integration enables sellers to focus on enhancing sales and managing fulfillment, while saving time and overhead and eliminating order entry errors.

NetSuite Magento Connector Highlights

Centralized Inventory
Avoid under or overselling by keeping your inventory synced with Magento at all times

Seamless Order Mgmt.
Easily sync sales orders with Magento and manage on NetSuite

Easy Shipping
Send shipment tracking info to customers for orders fulfilled in NetSuite

Consolidated Product Info
Keep your product information, like price, color, size, description, etc., always updated for customers

Quick Refunds
Ensure timely refunds to boost service standards and eliminate buyer dissonance

Added Functionalities
Boost efficiency by seamlessly syncing order cancellations, delisting items from the store, etc

Easy Deployment
Set up and deploy your integration with the utmost ease

Lots of Customizations
Do more with your NetSuite, add new functionalities and custom flows that meet your business needs

Real-time Dashboards
Get end-to-end visibility of the integration and sync status

NetSuite Magento Integration Benefits

Seamlessly integrate data flows between NetSuite and Magento accounts

1. Eliminate potential data entry errors and order mix-ups

2. Streamline fulfillment and enhance customer satisfaction, with rapid order placement and delivery

3. Easy to manage – runs within your NetSuite account so you can manage the integration from within NetSuite itself

4. Free compatibility upgrades with future releases of both NetSuite and Magento.
